

PRAIRIE HILL COMMUNITY CONSOLIDATED DISTRICT #133 HEALTH REQUIREMENTS

All health requirements are due in the office by the first day of school. Those students who do not satisfy the following requirements will be excluded from classes until documentation of these exams is received.

KINDERGARTEN STUDENTS

- Physical examination on an Illinois form
- Current immunizations, including varicella (chicken pox)
- Lead Assessment
- Dental Examination
- Diabetic Screening
- BMI
- Eye Examination by Optometrist or Ophthalmologist

SECOND GRADE STUDENTS

- Dental Examination

SIXTH GRADE STUDENTS

- Physical Examination on an Illinois form
- Current immunizations, including Hepatitis B
- Diabetic Screening
- BMI
- Dental Examination

TRANSFER STUDENTS

- From Illinois schools

A new physical examination is NOT required, unless entering sixth grade.

- From other states

A physical examination is required of all students, recorded on an Illinois form. Immunizations must be current, and follow the requirements of the entering grade level.

Dental examinations must be recorded on an Illinois form.

Eye Examination by Optometrist or Ophthalmologist

ALL NEW STUDENTS NEED A COPY OF THEIR ORIGINAL BIRTH CERTIFICATE

Dental examinations for Kindergarten, 2nd, and 6th are now required by the State of Illinois.

Forms for physical, vision and dental examinations can be obtained from Illinois physician, clinics and dental offices, or from any Illinois public school.
